

COMPANY IN FOCUS

Based on discussions with our BLBG members we have decided to start a new BLBG initiative: The “Company in Focus”.

What is “Company in Focus”?

All BLBG Sponsors, Corporate members and Individual members will be able to submit a one page article about their company to appear in the monthly BLAS gazette. The focus of the article should be informative and content-driven, as opposed to commercial. Please note, the BLBG reserves the right to only publish articles that are informative in nature.

This initiative will be for Belgian and non-Belgian companies as long as they have a valid BLBG membership. A template will be used and a picture can be included. Articles will be published on a first come first serve basis.

How will you benefit from “Company in Focus”?

The objective is to enable all BLBG members to profile their companies to the wider Belgian community in Singapore. This opportunity will increase the effectiveness of networking with Belgian businesses and positively influence partnerships, recruitment, sales, and much more
